Yes, it's true

I want that apple, just like William Tell,
No more floor gazing, no more head down the well.
I'm feeling extrovert.
I should be shaking the stars instead of hugging the dirt.

I swear!

I'm really burning, fit to boil up the sea,
Human volcano at a zillion degrees.
I'm feeling extrovert.
Instead of quiet and shy I'm really dying to fly.

I feel like someone else,
Yes I do, yes I do, yes I do.
I feel like someone else,
I feel new, not so blue.
I feel,
Extrovert.

No hidden message, nothing political,
You needn't listen, I just wanted to show,
I'm feeling extrovert.
I am the lion who's roaring not the mouse that gets hurt.

I feel like someone else,
Yes I do, yes I do, yes I do.
I feel like someone else,
I feel new, not so blue.
I feel.
My trumpet plays for you,
I'm gonna blow it now.
