My heart is taken, it's not lost in space  
And I don't want to see your moony moony face  
I say, why on earth do you revolve around me?  
Aren't you aware of the gravity?  
Don't need another satellite

I'm happy standing on my feet of clay  
I have no wish to swim your milky, milky way  
I say, why on earth do you send your letters 'round  
here  
Only to gum up the atmosphere?  
Don't need another satellite

So circling, we'll orbit another year  
Two worlds that won't collide  
So circling, we'll orbit another year  
Moon still tries to steal the tide away

Don't need another satellite  
Don't need another satellite

Abort your mission, let's just say you tried  
Before you glimpse I have a darker, darker side  
I say, why in Heaven's name do you come on these  
trips  
Only to freeze in a total eclipse?  
Don't need another satellite

So circling, we'll orbit another year  
Two worlds that won't collide  
So circling, we'll orbit another year  
Moon still tries to steal the tide away

Don't need another satellite  
Don't need another satellite  
Don't need another satellite  
Don't need another satellite  
Don't need another satellite
