"Big Day"

It's your big day, your big day

So you want to tie the knot
Tie it tight, don't let it rot
The memory of this day

Are you deafened by the bells
Could be heaven, could be hell, in a cell for two
Big day come and big day go
Life goes on after the show

But will your love have the fire and glow
Like on the big day

Statistics, they don't say a lot
But can you keep what you have got, forever together?
There's a lesson to be learnt
Many fingers have been burnt with the touch of gold

Love can come and love can go
What your chance is I don't know
But if you have love, then let it show

Like on the big day
(You're the new recruit)
A big day
(In your wedding suit)

There's a lesson to be learnt
Many fingers have been burnt with the touch of gold

Big day come and big day go
What your chance is I don't know
But if you have love, then let it show

Like on the big day
(Yeah, you're looking fine)
The big day
(Sign on the dotted line)
The big day
(It's your wedding march today)

Big day
(You're the new recruit)
Big day
(In your wedding suit)

Big day
(Yeah, you're looking fine)
Big day
(Sign on the dotted line)

Big day
(It's your wedding march today)
Big day
(Your big day)
Big day
