Man acting like a farmer
And he?s treating the woman like a poor cow
He got to treat you better from now

But man is just a baby
And he?s needing your milk of kindness I vow
To drink as much as you will allow

All the way through history
Man machine, no mystery
All the way through history
Girl have the brain to act just like the weaker sex

Down in the cockpit
Man need the woman to pull him right out of it
Down in the cockpit
Man need the woman to pull him right out of it

Queen wants the castle back from the rascal
Queen wants the castle
Now

The girl tribe are growing up
And filling the world full with a new soul
To get so far they paid a high toll

Try not to make, the same mistakes
As man has made or you?ll fall in that hole
And you will see us changing our role

Oh, look what is this creature
Down in that hole?
Some say they were called men
