Across a crowded room  
I first set eyes on you  
My vision was impaired  
Obstructed out of view

By those faces in a crowded room  
Them bodies in a crowded room  
Their breathing in a crowded room  
And their pushing me out, their pushing me out  
Their pushing me out

Down the fire escape, down the fire escape  
Down the fire escape, down the fire escape

In the crowded room  
I won't touch too much  
I felt the punch of a punch  
The language was enough

To send me running from a crowded room  
Them bodies in a crowded room  
Their breathing in a crowded room  
And their pushing me out, their pushing me out  
Their pushing me out

Down the fire escape, down the fire escape  
Down the fire escape, down the fire escape

And in the crowded room  
I won't touch too much  
I felt the punch of a punch  
The language was enough

To send me running from a crowded room  
Them bodies in a crowded room  
Their breathing in a crowded room  
By those faces in a crowded room  
Them bodies in a crowded room  
Their breathing in a crowded room, go
