Clock in my head  
Clock on the wall  
And the two of them  
Don't agree at all

Friday is heaven  
Friday is heaven

Day in, day out  
Day in

Day in  
Wish you were here  
On the shop floor  
And day out  
And together we could  
Count the dots on the wall

Friday is heaven  
Friday is heaven

Day in, day out  
Day in

Friday is heaven  
Friday is heaven

Day in  
Day in  
Day out  
Day out

Day in  
Day in  
Day out  
Day out

Day in
