Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me

The stars are out and so am I
The stars I see, ain't in the sky
I'm heading, heading, heading for Twilight Zone
[Incomprehensible]
Please don't take me home

Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me

Do what you do what you
Do what you do what you
Do what you do to me
