Ohh, stop shaking boy
unless you're gonna shake with us
relax you ain't breakfast, mmm
Don't let us bug ya
we just be having fun
don't let us bug ya
we won't eat anyone
You may think that you've ridden the bus
and been all around the world
I bet you've never seen folks like us
we're enough to make your bald hair curl man
enough to make your bald curl
Don't let us bug ya
don't let us bug ya
don't let us bug ya
Don't mean to wig you out
Don't let us bug ya
your hats blown off no doubt
you may think there's nothing new
for any little boy or girl
what you see is weird but true
we're enough to make your bald hair curl, man
enough to make your bald hair curl
So, don't let us bug ya
don't let us bug ya
enough to make your bald hair curl, man
enough to make your bald hair curl
Don't let us bug ya
you'll see we're cool enough
don't let us bug ya
just because we've got these feelers and stuff
don't let us bug ya
sure that you hear about "The Ugly Bug Ball"
as sung by Uncle Burl
Rub your eyes, we're the real thing
we're enough to make your bald hair curl man
enough to make your bald curl
So, don't let us bug ya
enough to make your bald hair curl, man
don't let us bug ya
enough to make your bald hair curl
Man just relax

we're not gonna eat you boy
come in, come in, come in, come in
just because we've the feelers and wings
you can't judge a book by its cover
come in, sit down
