Kid, stay and snip your cord off, talk and let your mind loose

Can't all think like Chekov but you'll be okay

Kid, is this your first time here? Some can't stand the beauty

So they cut off one ear but you'll be okay

Welcome to the garden of earthly delights

Welcome to a billion Arabian nights

This is your life and you do what you want to do

This is your life and you spend it all, this is your life

And you do what you want to do, just don't hurt nobody

And the big reward's here in the garden of earthly delights

Kid, pick up with another, some will even drop you

But hearts are built like rubber, so you'll be alright

Kid, swallow but believe us, you won't die of boredom

Should you have to leave us, it'll be alright

Welcome to the garden of earthly delights

Welcome to a billion Arabian nights

This is your life and you be what you want to be

This is your life and you try it all, this is your life

And you be what you want to be, just don't hurt nobody

'Less of course they ask you in the garden of earthly delights

Welcome to the garden of earthly delights

Welcome to a billion Arabian nights

This is your life and you do what you want to do

This is your life and you spend it all, this is your life

And you do what you want to do, just don't hurt nobody

Welcome to the garden of earthly delights

Welcome to a billion Arabian nights

Welcome to the garden of earthly delights

Welcome to a billion Arabian nights

This is your life and you be what you want to be

This is your life and you try it all, this is your life

And you be what you want to be, just don't hurt nobody

'Less of course they ask you in the garden of earthly
delights
