Generals and Majors ah ah!  
They're never too far  
From battlefields so glorious  
Out in a world of their own  
They'll never come down  
Till once again victorious

Generals and Majors always  
Seem so unhappy 'less they got a war

Generals and Majors ah ah!  
Like never before are tired of being action less

Calling Generals and Majors  
Generals and Majors everywhere  
Calling Generals and Majors  
Your World War 3 is drawing near

Generals and Majors ah ah!  
They're never too far  
Away from men who made the grade  
Out in a world of their own  
They'll never come down  
Until the battle's lost or made

Generals and Majors always  
Seem so unhappy 'less they got a war

Generals and Majors ah ah!  
Like never before are tired of being in the shade

Calling Generals and Majors  
Generals and Majors everywhere  
Calling Generals and Majors, hey  
Your World War 3 is drawing near, World War 3

Generals and Majors ah ah!  
They're never too far  
From battlefields so glorious  
Out in a world of their own  
They'll never come down  
Till once again victorious

Generals and Majors  
Generals and Majors  
Generals and Majors
