Heaven is paved with broken glass  
Since your hammer struck my heart  
This world, a hell of trees and grass  
All is wrong like north gone south  
There's a bad taste in my mouth

Everything was stars  
'Til you had a notion to leave  
Beauty marks turn scars  
Bet you had a laugh up your sleeve

Congratulations love, love, love, love  
You made a fool of me and physics

Heaven is paved with broken glass  
Since your hammer struck my heart  
This world, a hell of trees and grass  
All is wrong like north gone south  
There's a bad taste in my mouth

Everything was gold  
'Til you thought you were above me  
Soldier turns to rogue  
Pretty turns to pretty ugly

Congratulations love, love, love, love  
You made a fool of me and physics

And I'm feeling cheated  
And I'm feeling used  
And what's even worse is  
You just look amused

Heaven is paved with broken glass  
Since your hammer struck my heart  
This world, a hell of trees and grass  
Since your hammer struck my heart  
Heaven is paved with broken glass
