Instant tunes only just been made
Instant songs never to be played
Instant tunes hanging out to dry
Oh let me try to introduce you to

Instant tunes
Instant tunes
Instant tunes
Instant tunes

Ever and ever will they give us pleasure?
Their instant, still instant
Like mother, mother used to make it, oh

Instant tunes give instant cash
Make me want to start a backlash
Let me have the recipe
And make me some lovely, lovely

Instant tunes
Instant tunes
Instant tunes
Instant tunes

Ever and ever will they give us pleasure?
Their instant, still instant
Like mother used to make it, oh

Ever and ever will they give us pleasure?
Their instant, still instant
Like mother used to make it, oh

Instant tunes
Instant tunes
