(andy partridge)

There may be no golden fleece,  
But human riches I'll release

Oh, my head is spinning like the world and it's filled  
with beasts I've seen,  
Let me put my bag down and I'll tell you it all right from  
the start,  
Like the scarlet woman who would pick on the boys she  
thought were green,  
And the two faced man who made a hobby of breaking  
his wife's heart.

Seems the more I travel,  
From the foam to gravel,  
As the nets unravel,  
All exotic fish I find like Jason and the Argonauts

There may be no golden fleece,  
But human riches I'll release

I was in a land where men force women to hide their  
facial features,  
And here in the west it's just the same but they're using  
make-up veils.  
I've seen acts of every shade of terrible crime from  
man-like creatures,  
And I've had the breath of liars blowing me off course  
in my sails.

Seems the more I travel,  
From the foam to gravel,  
As the nets unravel,  
All exotic fish I find like Jason and the Argonauts

There may be no golden fleece,  
But human riches I'll release.

I have watched the manimals go by  
Buying shoes, buying sweets, buying knives.  
I have watched the manimals and cried

Buying time, buying ends to other peoples lives.

Jason and the argonauts

There may be no golden fleece,  
But human riches I'll release.

Jason and the argonauts

There may be no golden fleece,  
But human riches I'll release.
