Knights in shining karma tend your flame  
And with love for armor they'll remain

Ever by your bed, guarding, still sleeping  
Shield your soul from this rain  
Knights in shining karma will remain

Jealous winter sun, cold as Vichyssoise  
Steals your smile for fuel  
They'll ignite with braziers of warming stars

Knights in shining karma wash your feet  
And with spotless darma come complete

Ever by your sink drying, up tea tears  
Shield your soul from this heat  
Knights in shining karma come complete

Swollen summer moon, hot as boiling air  
Poach your dreams to ash  
They'll bring sips from restful slumbers, cooling keg

Jealous winter sun
