Factory beau

Arm in arm

They must go

To the church of dance with the light on low

Meccanic dancing oh we go

Can't wait until the weekend comes

I want to be with all my chums

Alcohol is an easy key

Helps you unwind

And dance with me

To a disco trot from Germany

I'm standing in front of this girl

I'm under a flourescent light

I've had a few beers inside me

I feel like a giant tonight
