Red as a pin with a tortoise skin, and I'm only a saturn
boy

I can't explain to your minute brain that I'm only a
saturn boy

All you wanna do is kiss and kiss and kiss all night
(saturn)

Get down on the floor, I'll show you how to do it right
(saturn)

All my folks home in ganza one(?) (saturn)

Sure know how to have, sure know how to have
themselves some fun

And we can stare from an old grand chair, and I'm only
a saturn boy

Well, baby, dig me, would you dare bring(?) dig me,
I'm only a saturn boy

All you wanna do...

Janet, janet, come home to my planet, I'm only a saturn
boy

Ah, you believe anything, so here, have a ring, and I'm
only a saturn boy

All you wanna do...
