Chorus: (X4)

whisper

Silent, silent

Murder

[Nas]

It's sort of like the conclusion to "Color Purple"

Niggas is losing, confusion, with one time all pursuit
moves in

Grabbing niggas up in this movement to rule shit

Cop verses the block, shorties is too quick

Lesson number one. If you're arrested and hung

Where niggas is from gotta keep a lid on your tongue

It's like silent murder, I hit blunts hard like Ray Mercer
the violent words of a prince in a palace of Persia.

The cognac plurger plus the trees,

but whose the faul one to make his nose take a freeze,
and got enough gold to rock ice in all hype.

Used to be a general but just lost his stripe

Pipe dreams and white feinds and all-nighters, collect
calls from lifers

Astoria walls with cypress, since I got a problem with
the law-writers,

I kick some more items just to explore horizons,

the palm lady dreamt of this day so I'ma play,

the crib close smokin' with the big toast and lay

Chorus

They say the arms of Nicki Barnes would be enough to
blast,

a lot of rich niggas fell and started pumping gas

Was it the mind of CIA that bumped off Malik Shabazz

Fuck what they teach in class I'ma reach the mass

Strap up, no back up, it's jungle tactics

Livin' practice, out of line niggas get smacked
backwards

So wear it if the cap fits, fold it up money and mad clips

A stack right under my mattress

To smoke a nigga like a Hugh Bros. motion picture

Niggas gettin' open cruise, won't be olding niggas

April fools they laugh the jokes on the benches
Cease outside my nigga spoke on his sentence

Chorus (X4) +
Silent
Silent, silent
Murder

My right handers never play too close to cameras
It's nighttime scanners circle that allow gamblers
Peace-making niggas pep talk
the peace-makin 'niggas walk off the hot avenues with
they brew.
Time to get this loot countless, 'cuz sun it ain't no youth
fountains
Niggas take cash and shoot, bounce and Pakistanians
is took hostage
Locked up inside a linen closet known for spending
pies up
What's the flavour when your neighbors do jake
favours?
Lock them real niggas down and lettin fake players
roam around the project this lyrical logic I dilute,
the weak can object the right composite
We're plottin' all murderous schemes,
it seems I'm ghostly called by the essence of queens
the palm lady dreamt of this day, so I'ma play
the crib close smokin' with the big toast and lay

Chorus (X6)

And Cain killed his brother Abel when God accepted
Abel's
offering and not his.
Abel's offering showed that Cain was not giving his
best to God,
and Cain's jealous anger drove him to murder -
drove him to murder
