[Intro]

Yeah, yeah, yo, yeah, yeah

[Verse 1]

For niggaz up in they mom's crib listenin  
To this unadulterated Nas shit wishin it was then  
Instead a, me on this track on this beach with palm  
trees  
Drinks with umbrellas straws telling it raw  
Jungle of concrete killers and snakes I was amongst  
that  
Bundles of crack through this funnel that's black  
I want you to vision through my telescope see the hell I  
wrote  
It's Reynolds when I Wrap it like a envelope package  
And they would send the dope back then  
Numbers, pimpin and robbin, well they still robbin and  
pimpin  
But it's small change compare to hip hoppin  
And did I mention millions because of lip poppin  
Trips expensive gift shoppin whip drivin  
Benzes, Jeeps, see, them and they bitch got one  
It's shockin you thinkin naw it's just rhymin  
But all this time it's like organized crimin  
For instance, there was a time when there was a line  
Between streets and business, but now peep how it's  
mixed in  
The beef is now sickenin, everybody got paper  
Words of power, because of it the cops hate ya  
The government watchin all of those who thuggin it  
They wanna lock us up cause they kids are lovin it  
Not knowin that most rappers are straight ass  
The shots ring out, whenever we clash it's Star Wars

[Chorus]

We call it Star Wars  
What happens when the shots ring out, Star Wars  
We call it Star Wars

[Verse 2]

Caviar never, I rather the Cajun blacken

Catfish no snails simple niggaz to please  
Met a bad bitch dimples in her cheeks  
She remembers Busy B battles when it was peace  
Caught myself driftin in thought, cause now it's  
different I thought  
Niggaz was raised off the shit I record  
Like I was brought up off that Planet Rock  
Kurtis Blow, James Todd Smith, Shannon Scott, LaRock  
in the jams  
Why would they fuck with a don, Jehovah witness  
Him and his co-defendants, I eat 'em like Lucky  
Charms  
With two percent low fat milk, five percent pro black  
built  
It's nothin mother had a motherfucker  
I don't think about it niggaz talkin there's a lot of gossip  
That I'm a prophet or I can't go back to my projects  
Can I? Does a plant grow from a plant yes  
Do trees grow from a forest MC's y'all are clitoris  
Y'all niggaz roll with any click that's winnin any crew  
Doin whatever's trendy, even they leave me too  
Ain't enough room in this town  
What is beef between ghetto word spitters with crowns,  
Star Wars

[Chorus]

Cause this is Star Wars, shots ring out everywhere, Star  
Wars  
Cause this is Star Wars, shots ring out

[Verse 3]

This ain't, no Oscars or MTV or Joan Rivers fashion  
police  
Not what you read in tabloid seats  
These are MC's that live by the code, it's hard for me to  
spit it  
Because the game was supposed to be sold we livid  
Came from the streets we the voice of the youth  
America's nightmare was given a the mic booth  
Nike boots, leathers and jean, jewelry, cribs and cars  
Rappers not dependin on your nine to five jobs  
Entertainment, this is our world this is our language  
Different regions speakin east and west gang shit  
You got your positive shit like, Common Sense  
But even he had drama with the Don Mega Cube  
Acknowledge the words get twisted at times it's rules  
What you think is different from the block whenever we  
feud  
Fuck your pictures and your plaques your tours and  
autographs  
Don't trust bitches and niggaz who tell you your all of

that  
Cause, they'll be in your enemies face, sayin it's safe  
To run in your release party sprayin the place  
Or catch you when you least on point, putting your keys  
in the door  
Behind you with your seeds in Kay Bee Toys store  
Maybe the words get disrespectful now your niggaz  
check you  
You 'gon let that nigga play you, you know we 'gon rep  
you  
Next mornin every news channel and front page  
Headlines another rapper was slayed, this is Star Wars
