Thanks to erich sellheim

I'm warning you  
I'm warning you now  
Look out people as it's the holy cow  
It's the rotary  
I told you 'bout the spinning top  
And that's a dance you gotta drop  
Because the rotary is in  
The rotary, the rotary  
The dance you've got to top is the brand-new spinning  
top  
That's out, this is the rotary  
The rotary  
This is a thing that's definitely gonna make captain  
beefheart  
And his magic band look bad  
They thought they had it with the "blimp"  
Well I'm talking to you about the rotary  
People will be coming, will be twirling, twirling, twirling,  
twirling  
The rotary  
You can jump it, I can jump it  
Everybody can jump it  
Grab an armadillo, grab your husband, grab anybody  
The rotary  
The rotary, the rotary, oh, the rotary  
It's the thing that's for me and you  
Ooh, ooh, the rotary  
I can see the precision  
They're lining up, falling over  
They're going crazy  
They can't get enough of the rotary  
Yes, siree  
The rotary  
Turning, turning, turning, turning...  
You're burning, burning, burning...  
With the rotary, ooh  
Yes, siree  
The rotary  
I shouldn't want you to get this confused with any other  
dance craze

Because this is the one  
Oh, the rotary  
You'll be burning all your clothes  
And you'll be burning all of your jewellery  
You will be the rotary  
It's nothing like anarchy  
No, siree  
It's, it's the rotary  
The rotary, the rotary...  
R.o.t.a.r.y.  
Rotary, the rotary  
You'll want to do it, do it with me  
You'll want to do it, you can do it for free  
The rotary  
Go on terry, play the rotary  
How do you think he got the second half of his name?  
Terry is the last part of rotary  
Drum it up, drum it up...
