Then she appeared  
Apple Venus on a half open shell  
Then she appeared  
The first photograph on Fox Talbots gel

I was a little frightened  
Flying with my senses heightened  
Cherubim cheered, then she appeared

Then she appeared  
As the giggling crew of Marie Celeste  
Then she appeared  
Pale Atlantis rising out of the west

I was a little dazzled  
Catherine wheeled and senses frazzled  
Know it sounds weird, then she appeared

And the sun which formally shone  
In the clearest summer sky  
Suddenly just changed address  
Now shines from her blue eyes

Then she appeared  
Brittle shooting star that dropped in my lap  
Then she appeared  
Dressed in tricolor and phrygian cap

I was a little troubled  
Hookah with my senses bubbled  
All Edward leered, then she appeared

And the moon which formally shone  
On the marbled midnight mile  
Suddenly just packed its bags  
Now shines from her bright smile

Then she appeared  
Out of nowhere  
Then she appeared  
Out of nowhere

Then she appeared  
Out of nowhere  
Then she appeared  
Out of nowhere
