Ah well, that's this world over  
Ah well, next one begins

Will you smile like any mother  
As you bathe your brand new twins?  
Will you sing about the missiles  
As you dry odd numbered limbs?

Ah, well, that's this world over  
Ah, well, next one begins  
Ah, well, that's this world over  
You sadly grin

Will you tell them about that far off and mythical land  
About their leader with the famous face?  
Will you tell them that the reason nothing ever grows  
In the garden anymore  
Because he wanted to win the craziest race  
That's this world over

Will you smile like any father  
With your children on a Sunday hike?  
When you get to a sea of rubble  
And they ask, "What was London like?"

You tell them, "Ah, well, that's this world over?  
Ah, well, next one begins, it begins, it begins  
Ah, well, that's this world over"  
You sadly grin

Will you tell them about that far off and mythical land  
And how a child to the virgin came?  
Will you tell them that the reason why we murdered  
Everything upon the surface of the world  
So we can stand right up and say we did it in his name?

That's this world over  
Or so it seems  
That's this world over  
The end of dreams

That's this world over, over

Over and out  
That's this world over, over  
Over and out

That's this world over, over  
Over and out  
That's this world over, over  
Over and out

That's this world over, over  
Over and out
