When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night

I used to stand proud like a sphinx  
In a noble immovable state  
And then your heart nailed me under a jinx

Now I'm feeling like a jellyfish  
Just a spineless wobbly jellyfish  
And it's great, great, so great

When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night

I used to stand high like a pine  
Just a piece of emotionless wood  
And when you put your body near mine

Now I'm feeling like a jellyfish  
Just a spineless wobbly jellyfish  
And it's good, good, so good

I used to be an iceman, living in iceman town  
So I'm warning all you cool, cool icemen  
Better be prepared to be melted right down, down

When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night

When you're near me, I have difficulty  
When you're near me, I have difficulty  
When you're near me, I have difficulty
