I met her in some place all done up in lace she had a
pretty face La la la She took me to her pad gave me all
she had it made me pretty glad La la la She showed me
to her bed soothed my aching head nothing more be
said La la la We played a funny game she shouted out
my name then somebody came La la la A little after
that we sat around to chat I told her she was fat La la la
She threw me out the door Said: 'Don't come back here
no more!' what a whore La la la Hot pants and go go
boots Mono and Syphilis Make-up and wigs Long
painted fingernails Street corners shopping malls truck
stops and parking lots on the other side of town
