I remember so long ago I'd sit and watch the TV show I
was younger then, but now I know I listen to the radio I
ain't worrying about a thing I ain't worrying what's on
my mind I ain't worrying about a thing I fell in love and I
was happy then Now I wish I were in love again So I'm
waiting for the moment when The clouds are gone and
it is sunny again I ain't worrying about a thing I ain't
worrying what's on my mind I ain't worrying about a
thing I listen to the radio All of the time Music playing
through my stereo Feelin' so fine Everytime that I go
walkin' by I can't help but wonder why I never gave it a
try If I did I wouldn't have to cry I ain't worrying about a
thing I ain't worrying what's on my mind I ain't worrying
about a thing Blame it on your radio
