(Don't stop the music.....)

It only takes a minute, girl
To fall in love, to fall in love
It only takes a minute, girl
To fall in love, let's fall in love

Let's take it from the top, keep movin' (movin')
The beat is real swift, it's groovin'
Promise here put it again lend you the air
'Cause the beat is real funky yeah
Let's rock and roll with soul I hold the mic alone and rap
this
In full control
Maintain again the fame of what I see for rap around
the beat
Of my time.

It only takes a minute, girl
To fall in love, to fall in love
It only takes a minute, girl
To fall in love, let's fall in love
(don't stop the music, don't stop the music
don't stop the music, don't stop the dance)

It only takes a minute, girl
To fall in love, to fall in love
(don't stop the music, don't stop the music,
keep it goin' dance)
It only takes a minute, girl
To fall in love, let's fall in love
(don't stop the music, don't stop the music
don't stop the music, don't stop the dance)

(Don't stop the dance)
