wow, tum ab bhi beautiful ho tum ab bhi loveable ho
duniya ki hasinon mein ab bhi ho tum one to ten.
happy days are here again. happy days are here again.
tum ab bhi

happy days are here again. o yeah, yeah, here again.
kah raha dil mera ungaliyaan chuum luun
aa yahaan jaan-e-jaan honthon ki laali churaane to de
haan dekhate hi tujhe kya nasha chha gaya
kya mujhe ho gaya masti si chhaane lagi hai sanam
tum ab bhi love symbol ho oh yeah.
tum ab bhi loveable ho aaho
duniya ki hasinon

aag se bhi garam shabanami ye badan
jo tujhe touch kiya shola sa dil mein bhadakane laga
aakar bujha ye jalan kah rahin garamiyaan
faasale kisaliye sine se aa ke laga le mujhe
tum ab bhi sweet simple ho
tum ab bhi loveable ho
duniya ki hasinon

bijaliyaan gir padein dekh lo tum jidhar
kya nazar kya kamar baahon mein jaanam tuu aaja aa
ja
ho aapane jo kaha aapaka shukriya
aapake pyaar ka ye to asar hai meri jaan-e-jaan
tum ab bhi sholh gazal ho
tum ab bhi loveable ho
duniya ki hasinon
