### "Across the Universe"

words are flowing out like endless rain into a paper cup  
They slither by me as they make there way across the  
universe  
Pools of sorrow waves of joy are flowing through my  
open mind  
Possessing and caressing me

Jai Guru Deva, om  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world

Images of broken light which dance before me like a  
million eyes  
That call me on and on across the universe  
Thoughts meander like a restless wind into a letter box  
They tumble blindly as they make their way across the  
universe

Jai Guru Deva, Om  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world

Jai Guru Deva, Om  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world

Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world  
Nothings gonna change my world
