How can I define?
How can IÃfÃçÃ,,Ãçve much time?
To say all I feel, describe what I leave
We canÃfÃçÃ,,Ãçt pass by our life
By whose growing sweet hope
The beginning

One to one with the unknown
Reading between the lines

How can I write?
How can I carve?
I just can trust my damned faith to serve
By soul temptation
For our self decisions
Leading our convictions
For future redemption

One to one with the unknown
Reading between the lines
Down on him the false permissions
I can see the weak purgation

How can I write?
How can I carve?
I just can trust my damned faith to serve
By soul temptation
For our self decisions
Leading our convictions
For future redemption

Understanding fearÃfÃçÃ,,Ãçs coming
Slaving dominationÃfÃçÃ,,Ãçs starting
Society marchÃfÃçÃ,,Ãç! ÃfÃçÃ,,Ãç... "Price must be
paidÃfÃçÃ,,Ãç,Ãç
Hacking liberty truncated
Manipulate the masses
Exploited sorrow, troubles often used
