Open your memories for the sacrifice!!

Cold blade tearing my chest
Things bleeding me up
Over the feels, over the tears
When you left, evil came back to me
Stinging my mind
Testing faith in me

No matter the strength of desire
I don't know what's around the corner

Her face carved deep in me
Sweet lips on my neck
Graze of my keepsake
If I was proud of my way
Nowadays what I feel freezing all my senses
Leaves me away!

Sometimes when I sleep
Strange thoughts come onto me
A taste of loss awakes me hard

No matter the strength of desire
I don't know what's around the corner

Cold blade tearing my chest
Things bleeding me up
Over the feels, over the tears
