You know im dressed to kill
Catch you in my side
A dirty crime commits tonight
They'll be blown around, And damaged up
I cant help my self its number one

Love you to death
Thats all i wanna do
(I wanna love you)
Love you to death
Thats all i wanna do
(I wanna love you)

(Ooh yeah)

It's just a killer thing i never ment
You loose it all, baby when we kiss
Its criminal what i want to do to you
(Unknown)

Because i love you to death
Thats all i wanna do
(I wanna love you)
Love you to death
Thats all i wanna do
(I wanna love you)

[Male Spoken Voice]

Love you to death
Ooh
Love you to death
I wanna love you

I think i got it bad
I think i got it bad
I think i got it bad
I think i got it bad

Because i love you to death
Thats all i wanna do

(I wanna love you)
Love you to death
Thats all i wanna do
(I wanna love you)

Love you to death
(I think i got it bad)
Thats all i wanna do
Love you to death
(I think i got it bad)
Thats all i wanna do
