Shock! [Spoken Synth]

There's nothing more that you can do
I got my mind made up on you
There's nothing more that you can say
I'm gonna get ya anyway

Did you see me running?
You got something comming
Cause i'm not your doormat
Get that
Gotta treat me better
Do it to the letter
It's time to realise i can cut you down-to-size

Ooh don't you know
When you go
It's a shock to the system
Ooh don't you know
When you go
It's a shock to the heart

You know i give you what i can
I guess it hurts to be a man
Your Gonna feel it when it hits
And theres nothing you can do about it

Did you see me comming?
Do you feel like running?
Can your body take it?
Are your wires humming?

(X2)

Ooh don't you know
When you go
It's a shock to the system
Ooh don't you know
When you go
It's a shock to the heart

Ooh don't you know
When you go
It's a shock to the system
Ooh don't you know
When you go
It's a shock to the heart

[Male Spoken Rap]

Ooh don't you know
When you go
It's a shock to the system
(Shock to the system - Yeah!)
Ooh don't you know
When you go
It's a shock to the heart
(It's a shock to the heart - Yeah!)
