I know somebody has got a secret
And she is praying I am gonna keep it
So have this little understanding

See there is just one thing I am demanding
He knows all he gotta do to keep it on the down low
Is to give me happy when I hit the dance floor
He is a dude but I tell him too
Play my favorite song all night long

I got something on the Dj
He is gonna play exactly what I say
I got something on the Dj
He is gonna play ma song all night long

When I am up in the club he sees me
I smile cause I know he is gonna please me
I give a .. start spinning
And I know is just the beginning
He knows all he gotta do to keep it on the down low
Is to give me happy when I hit the dance floor
He is a dude but I tell him too
Play my favorite song all night long

I got something on the Dj
He is gonna play exactly what I say
I got something on the Dj
He is gonna play ma song all night long

He needs to do
What I tell him too
Play my favorite song all night long
All night long
All he gotta do to keep it on the down low
Is to give me happy when I hit the dance floor
He is a dude but I tell him too
Play my favorite song all night long

I got something on the Dj
He is gonna play exactly what I say
I got something on the Dj

He is gonna play ma song all night long

I got something on the DJ

He is gonna play exactly what I say

I got something on the DJ

He is gonna play ma song all night long

Thanks to feel
