Could someone tell me who this is all for  
and why I'm on the mirrors edge running on walls for?  
20 biddies, one of Vizzy, this sh-t is uncalled for  
but that girl with the ponytail she roll with the dark  
horse  
and I deserve it, all my life I worked hard for  
them other cats aint going in  
that sh-t is soft porn  
I overcame obstacles like Parkour  
and if I got off course its only cause my banking is off  
shore  
now I ask for dutches they give me double like jumping  
rope  
never been a virgin cause I was always f-cking dope  
doing something different I'm getting in convertibles  
and I don't spend a thing, so why I do feel vertigo  
I'll be in the cut, tell them girls lets get surgical  
farenheit for 51, that paper we just burning through  
create money for me to cremate money, I earn it too  
do this look like work to you?  
Nah

[Chorus]

Looking at the lights like is all of this for me?  
everyone the night is here, all of this for me  
hands in the air yeah, all of this for me  
bottles over here, all of this for me  
all of this for me (for me)  
all of this for me (for me)  
life fast, lights flash  
all of this for me  
all of this for me (for me)  
all of this for me (for me)  
models bringing bottles  
yeah, all of this for me

[Cyhi Da Prynce]

Warner Brother TIG, turn this bitch to Dawsons creek  
Poppa Johns with the bread cause we in here tossing  
cheese  
used to be broke as hell so I had to drop the streets  
till I got saved by them bells like I walk a harder street  
come and get your bitch cause your dog is off the  
leash  
cause we know how to party man, they call us Boston  
Tea

snuck my Rose out the club, what you think these  
bottles cheap?  
with a model, they call me baby Motown and Monique  
n-ggas say I'm outta shape, cause my pockets is obese  
I don't care that's your girl, all these bars in here are  
free  
don't make me pull my horns out like I'm flexing my  
obliques

[Chorus]

[Vado]

Hermes belt with a H buckle  
beige bubble, stopping at her waist as she waits for you  
stray bubble but her quiet storm like a tre muffle  
age double, no forgetting money and straight hustle  
fake muscles get you a off day  
denim shirt be from All Saints  
sleeves rolled I'm in beastmode  
don't get your boys spent  
30 and your broads stank  
got money from all banks  
check clear, okay

baking a tall cake, I'mma need me a war safe  
mention got 4 gates, 3 pools and a small lake  
quick to get it on time, I never call late  
shorty crashed the car, she called me before all state  
are you GBY, seagul when you see me fly  
helicopters peedi pie, Aston Martins DB9  
we ballin' can't you see  
different cars at one time  
I'm like all of this for me?

[Chorus]

[Erin Christine]

Now wait a minute, raise ya glass  
lets toast to the, toast to the past  
lights flash, lets be honest

and take all of this for me
