Baby girl i'm cool, cum collect  
so what i gotta lose if i cum correct?  
if feelings u wrong i dont wanna be right  
but it wud feel right if u were on my left  
i need urself or your own adress?  
cuz we can go to Vegas like i own a jet  
im playin at least not yet  
but till then baby can u just do this

kiss me baby (x2)  
im the shit (x2)  
Feed me momma (x2)  
i want you (x2)

shes standin there thick  
just from the side yeah  
shes tellin me that im gon like it  
and i kno that she kno that im the flyest  
girl u got to admit that u got it  
yeah u got it (x4)

i can see u wit it  
i can see it in ur eyes u dont wanna party with me  
baby we can get together  
its all like a star fish under the sea (yeah)  
u and me sound good  
i think thats the way its supposed to be  
u just to cold  
u gon smoke when u get next to me

try me baby (x2)  
im the shit (x2)  
love me darling (x2)  
dont you (x2)

shes standin there thick  
just from the side yeah  
shes tellin me that im gon like it  
and i kno that she kno that im the flyest  
girl u got to admit that u got it  
yeah u got it (x4)

she rock like carilla daviile  
she say she sick and she wanna be ill  
wanna see the matrix and im that pill  
she swallowed me down now how u feel?  
i pulled in u got everything i like  
my favorite funk baby u my type  
ever since u left i aint been right  
but i kno u come back like day and night  
and i kno u get down just the way i like  
u want me to go down and i say i might  
she like the fact im bright like neon light  
cuz she kno i been around like crayon light  
kinda like a nerd but my flow is stupid  
so fly walk her on the sky like luke did  
when we get down and u back in my town  
all i want u to do is...

kiss me baby (x2)  
im the shit (x2)  
feed me momma (x2)  
i want you (x2)  
bless me angel( x2)  
tick tick tick ur the bomb  
i will be ur vietnam  
tick tick tick and ur the bomb

shes standin there thick  
just from the side yeah  
shes tellin me that im gon like it  
and i kno that she kno that im the flyest  
girl u got to admit that u got it  
yeah u got it (x8)
