Chorus : Sarah Engels

Baby 'cause I miss I miss you so
I would never ever let you go
Baby 'cause I need I need your love,
I am sure I never get enough.

Pietro Lombardi

Oh when I saw you baby oh I stop my breathin
cause when you smiling baby
always start my feelin
all or nothing baby yeah its now or never,
and IÃ,m falling with you can we be together?

Pietro Lombardi

Oh you broke my heart,
Baby from the moment oh we talk,
And if you smile to me,
Baby oh it feels like fantasie.
Come on baby, come on closer to me.

Chorus : Sarah Engels

Baby 'cause I miss I miss you so
I would never ever let you go
Baby 'cause I need I need your love
I am sure I never get enough

Baby let me start a new Romance
I would never ever have this chance
I never ever find another you (another you)
Oh I swear the lide of love its true

Pietro Lombardi

When I kiss you baby, oh my heart was
when I touch you lady oh my eyes was
Hearts and fire lady, you are like the ocean.
Flirting with disaster, I canÃ,t feeling emotion

Oh you broke my heart
Baby from the moment oh we talk
and if you smile to me
baby oh it feels like fantasy

Come on baby come on closer to me.

Chorus : Sarah Engels

Baby 'cause I miss I miss you so

I would never ever let you go

(never let you go)

Baby 'cause I need I need your love,

I am sure I never get enough

(never get enough)

Baby let me start a new Romance,

I would never ever have this chance,

I never ever find another you,

Oh I swear the lide of love its true

Cause baby i miss you so much

And i would never ver let you go

Baby 'cause I need I need your love,

I love you so much yeah

no no no

Chorus : Sarah Engels

Baby 'cause I miss I miss you so

I would never ever let you go

Baby 'cause I need I need your love,

I am sure I never get enough

Baby let me start a new Romance,

I would never ever have this chance,

I never ever find another you,

Oh I swear the lide of love its true
