Intro:

If one bird sings night is over
And I can't dream you anymore
If one bird sings it's tomorrow
And the dream of you is broken like before

1st Verse:

I can see the city from my window
I can hear the footsteps in the dawn
And the sunlight kisses every little flower
There's a petal in the dark that's lying
torn

Chorus:

If one bird sings night is over
And I can't dream you anymore
If one bird sings it's tomorrow
And the dream of you is broken like before

2nd Verse:

Didn't wanna be the one who's waiting
Waiting for the shadows to turn less
But the road to you is feeling so familiar
And another appetite of going back

Chorus:

If one bird sings night is over
And I can't dream you anymore (anymore)
If one bird sings (if one bird sings) it's
tomorrow
And the dream of you is broken like before

Bridge:

I don't wanna spend the night without you
So I'm - dreaming as long as I can
Oh I need - trying many
many words to write about you
But I sleep and you're here - holding my hand

Chorus:

If one bird sings night is over (night is over)

(And I can't dream) but I can't hold you
anymore (you anymore)
If one bird sings (if one bird sings) it's
tomorrow
And the dream of you is broken like before

Outro:

But I dream you like I dream you're here before...
