I'll be yours  
They're tearing down  
The love we found  
We wanna stay  
But go the other way  
Every step we take  
It's forcing our two hearts to break  
Don't say it's over  
We haven't run our course

I'll be yours - you can call  
I'll be yours - if you fall  
I'll be yours - i can wait forever  
I'll be here with open doors  
I'll be yours

I miss your eyes  
It's cold at night  
Without you here  
I'm running out of tears  
An ordinary me  
Keeps wantin' our two hearts to be  
Don't say it's over  
We haven't run our course

(Chorus)

Every step we take  
It's forcing our two hearts to break  
Don't say it's over  
When it's not over

I'll be yours  
When the winter is cold  
And your arms are freezin  
I'll be yours  
Cause i'm all alone  
And it's you i'm needin

I'll be yours - you can call  
I'll be yours - if you fall

I'll be yours i can wait forever  
I'll be here with open doors  
I'll be yours - i'll be yours  
I'll be yours i can wait forever  
I'll be here with open doors  
I'll be yours - forever yours - forever yours
