Listen
To the song here in my heart
A melody I start but can't complete

Listen
To the sound from deep within
It's only beginning to find release

Oh the time has come for my dreams to be heard
They will not be pushed aside and turned
Into your own all 'cause you won't listen

Listen
I am alone at a crossroad
I'm not at home in my own home
And I've tried and tried to say what's on my mind
You should have known -

Oh

Now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now I've gotta find my own
You should have listened

There is someone here inside
Someone I thought had died so long ago

Oh, I'm screaming out and my dreams will be heard
They will not be pushed aside or worked
Into your own all 'cause you won't listen

Listen
I am alone at a crossroad
I'm not at home in my own home
And I've tried and tried to say what's on my mind
You should have know

Oh, now I'm done believing you

You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now I've gotta find my own

I don't know where I belong
But I'll be moving on
If you don't, if you won't

Listen
To the song here in my heart
A melody I start
But I will complete -

Oh

Now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you think you gave to me
But now I gotta find my own
My own
