Whenever it's rainin' - Whenever it's rainin'
I make it stop
Whenever it's rainin' - Whenever it's rainin'
I make it stop

It could be love
Why don't you get to know me
I feel a pull - so wonderful
Whenever your near
Something is right
Whenever you hold me
I fell in love - first time me touched
And heaven is here

I'm in the moon to fly
Stars ate inside my eyes
I'll be your sunny day
Whenever it's rainin'
You turn my world around
Paradise on the ground
I'll be your sunny day
Whenever it's rainin'

I was alone
Couldn't feel my heart beat
Then overnight - dark turned to light
Now everythings so good
Under my skin
Your body's turnin' up the heat
Without a word - pain is reversed
And everything's understood

(Chorus)

Happy or sad
Whatever you need
Whenever you want me
Call me up
And I'll be the key

Whenever it's rainin' - I pick you up

Whenever it's rainin' - I make it stop
Whenever it's rainin' - I pick you up
I pick you up - I make it stop

(Chorus)

Whenever it's rainin' - Whenever it's rainin'
I'm your sunny day
Whenever it's rainin' - Whenever it's rainin'
I make it stop
