Should I give you words
And if you don't believe them
Should I care
Oh, all these times

We fight without a reason
I must be blind
To believe you
Believe me sometimes

I could be a saint to you
And I could play a heroine for you
I could be a lover to you, should I
'Cause I might just fall for you

To choose to fight for love and love to fight

Is to get as much as you lose, sister
I hate to see you go
I hate the way you're slipping back
To a life you never wanted

I wish somehow
I could leave you something
Leave me something
Something more

Oh, I could be a saint to you
And I could play a heroine for you
I could be a lover to you, should I
'Cause I might just fall for you

Oh, I could be a saint to you
And I could play a heroine for you
I could be a lover to you
'Cause I might just fall for you

Should I believe you
Should I believe you
Should I?
'Cause I might just fall for you

Oh, I could be a saint to you
And I could play a heroine for you
Should I believe you
Should I believe you
Should I?
'Cause I might just fall for you
