"Mark The Days"

Visit "[Mark The Days](#)" on [MotoLyrics.com](https://www.motolyrics.com)

It doesn't matter what you say
Thoughts are scattered, all blown away

Fruits of love are gone
Listen to this woman's only song
She's down on her knees
Kicking her heels, a fallen angel out of love

It doesn't matter what you say
Thoughts are scattered and blown away
It doesn't matter what you say
Thoughts are scattered and blown away

You have the key of the door
Swept under the carpet, don't want it anymore
Discovery of infidelity, falling from grace
Sacrifice the substance, mark the days

Hear this woman's song, forever betrayed
In secret we know it's not her own
Staring from mirror to mirror
No one's coming home

It doesn't matter what you say
Thoughts are scattered, all blown away
It doesn't matter what you say
Thoughts are scattered, all blown away, away
