XYMOX: A MILLION THINGS

Words won't occur to me  
At half past three  
My reason dies  
Why couldn't you make that choice

And I keep dreaming of  
A million things  
And I keep dreaming of  
A million things  
They have wings

Noise of life begins too soon  
I closed my eyes  
How could you be so cruel  
Sweet vision of mine

And I keep dreaming of  
A million things  
And I keep dreaming of  
A million things  
They have wings

I layed down my sleeping head  
Time burns away  
Let the living creatures lie  
Midnight visions awfully die

And I keep dreaming of  
A million things  
And I keep dreaming of  
A million things

I keep dreaming of  
I keep dreaming of  
I keep dreaming of  
I keep dreaming of

You  
You

You  
You
