In a church, by the face,
He talks about the people going under.

Only child know...

A man decides after seventy years
That what he goes there for, is to unlock the door
While those around him criticize and sleep...
And through a fractal on a breaking wall
I see you my friend, and touch your face again
Miracles will happen as we dream.

But we're never gonna survive, unless...
We get a little crazy
No we're never gonna survive, unless...
We are a little...

Crazy yellow people walking through my head.
One of them's got a gun, to shoot the other one.
And yet together they were friends at school
And, get it, get it, get it, get it no no!

If all were there when we first took the pill,
Then maybe, then maybe, then maybe, then maybe...
Miracles will happen as we speak.

But we're never gonna survive unless...
We get a little crazy.
No we're never gonna survive unless...
We are a little...
No no, never survive, unless we get a little... bit...

Oh darlin...
In a sky full of people, only some want to fly
Isn't that crazy?
In a world full of people, only some want to fly
Isn't that crazy?
In a heaven of people there's only some want to fly
Ain't that crazy?
Oh babe.. Oh darlin..
In a world full of people there's only some want to fly

Isn't that crazy?
Isn't that crazy.. Isn't that crazy.. Isn't that crazy..

But we're never gonna survive unless, we get a little
crazy.. crazy..
No we're never gonna to survive unless we are a little...
crazy..
But we're never gonna survive unless, we get a little
crazy.. crazy..
No we're never gonna to survive unless, we are a little..
crazy..
No no, never survive unless, we get a little bit..

Craaaaazyyyyyyyyyyy
