...is it the money, the house, the...
...niggers just wanna come for my spot,
Man it's crowded at the bottom,
Shit, it's lonely at the top, top,
Back, back in this, something forward,
They say life it's a bitch,
I love to see what she's got for me,
....
And we shouted out like Michael Jordan,
If you're sitting on a bench,
Then you're probably not important!
...is important...you cannot avoid it,
We made it over here and money is not a...
So you know what ...will lead too,
Me too, me too!
Cause then niggers can bleed too.
You talk a good one.
I don't believe you!

Chorus:

They say a picture worths a thousand words,
A picture slim with a thousand ..
Walked up and ready to serve.
They say a man's true worth is his word,
Every word I speak, I speak the truth, but trust in it.
Come on!
You can say what you want to, but I don't believe you!
I hear you talking mother fucker!
I don't believe you!

...

My money fall from average,
Not the one you wanna challenge,
...no white challenger.
...no calendar,
Keep getting money till this shit starts...
I feel sorry for the niggers, think they...
Fuck around...at your funeral!
I hear you talking, nigger!
But I don't believe you!
Aha!

...easier said than done,
...told me... and that my time would come!
I am the one...
I get that ..money I can't afford to...
Cause ..with the same stuff in the pillow.
And you niggers better stay real low for real,
I hear you talking, but I don't believe you!

Chorus:

They say a picture worths a thousand words,
A picture slim with a thousand ..
Walked up and ready to serve.
They say a man's true worth is his word,
Every word I speak, I speak the truth, but...
Come on!
You can say what you want to, but I don't believe you!
I hear you talking mother fucker!
I don't believe you!
