[Hook]

We gon' get fucked up  
Enjoy the night, enjoy the night  
We gon' get fucked up  
And that's alright, that's alright  
Raised in the gutter, I'ma find a way  
Everything is ok  
Baby lift your cup up  
Enjoy the night, enjoy the night

[Verse]

Amsterdam to Tokyo longitude only I can know  
Latitude is my attitude fall in place like a domino  
I ain't come here to make no friends 'cause I rather  
be feared than love  
Scared to death that I move this mountain get to you  
with this shotgun slum  
And I could never turn my back on the ways of life  
I'm sparing no expense top down Vegas lights  
My flows they verge in tide I do not give a fuck  
It's about to jump tonight my crib is filling up  
Is filling up, is filling up full of bitches I have never met  
And they ain't left like these bitches here on house  
arrest  
Line out two shots and I'm down six darker light but  
that shit don't mix  
Got a body bag full of pills and shit let's see how  
fucked up we all gon' get

[Hook]

We gon' get fucked up  
Enjoy the night, enjoy the night  
We gon' get fucked up  
And that's alright, that's alright  
Raised in the gutter, I'ma find a way  
Everything is ok  
Baby lift your cup up  
Enjoy the night, enjoy the night

[Verse]

Raised in the gutter bread getting butter

Face like her mother ass like she's southern  
So much cash I just gotta laugh  
Out in Paris smoking grass signing autographs  
It's apparent if it's foreign and I'm starring  
If it's shining then I'm near it  
It's designer then I wear it, uh  
Look at these diamonds spend some time on my  
appearance  
You too busy saving hoes you ain't gonna find a dime  
on clearance  
You know me bitch I get straight down to the point  
Pop another bottle roll another joint  
And all of my niggas OG's and all of that smoke is OG  
I'm way too high to be low key  
Better act like you know me

[Hook]

We gon' get fucked up  
Enjoy the night, enjoy the night  
We gon' get fucked up  
And that's alright, and that's alright  
Raised in the gutter, I'ma find a way  
Everything is ok  
Baby lift your cup up  
Enjoy the night, enjoy the night

[Verse]

Girl if you wanna get some drunk then cutie it come  
and get it from me  
I know I shouldn't mix all this vodka with this  
hennessy  
But we gon' get fucked up then pour it up drink beer  
Party like there's not a night put a one night before  
that bitch  
We don't sleep until we get sick we gon' blaze till we  
get licked  
Call Earl the world spinning talking jail we winning  
The girl that you love is good in the beginning  
Two good shots and not a girl singing  
Spinning over now I'm sober face breasts  
More murr

Line out two shots and I'm down six darker light but  
that shit don't mix  
Got a body bag full of pills and shit let's see how  
fucked up we all gon' get

[Hook]

We gon' get fucked up  
Enjoy the night, enjoy the night  
We gon' get fucked up

And that's alright, and that's alright  
Raised in the gutter, I'ma find a way  
Everything is ok  
Baby lift your cup up  
Enjoy the night, enjoy the night
