Big Ballin' Nigga for bout half of my life
Whether on my knees prayin, blowin on the dice

I need +CASH+, gotta live it like it's no limit
Like it's in season, no scrimmage
Flossin twenty inches, on concrete and won't leak
See me on the street I won't speak
Cause I'm all that - and what crews despise
to the 600 backboard on 2-K-5
+CASH+, honey like, "Whoo, they live!"
Should I, peep or slide Boo you better decide
I heard tonight's open bar, I'll be passin you by
with a platinum Presidential light splash in your eye
All these haters mad doggin, you know they won't last
cause fuckin with these Westside thugs..
.. you gotta have a lot of +CASH+

Chorus 1 + 2

[J-Ro]
King T, X to the Z, and J-Bizzy
Well known for takin girls home and gettin busy
Known for the flow when downsizin a four-oh
and hittin SUV's hooked up, by 3-1-0
And I can't stands no man
smack dab in the middle of me and my plan?
I blast with either hand
Why don't you try Cortizone ten I heard it helps
when your neck wrist and ankles, is covered with
wealth
But I couldn't tell you how to treat that hole in your
chest
Shoulda wore a vest, now you just a motherfuckin mess
I used to have a .22, my khaki's I was saggin em
Now I'm sportin Polo, and a .44 Mag-a-num
Shameless plug - Likwit Crew, DJ Pooh
Make you booboo in your Fubu, runnin right through
you
Staple Center niggaz, box seats, beers and cheers
while you watchin in black and white
with foil on the rabbit ears

Chorus 1 + 2

[Tash]
So if you owe CaTash some dough, you best go rob a
Denny's
I don't care where it's from, I'll count ten G's in pennies
Cause I'm shifty when it comes to puttin food on my
plate
Rap it ain't my only lick, but I push it like weight

+CASH+, multi-mill', fuck chasin a deal
I'm by the freeay with a sign that say "Will kill for scrill"
Dollar bills is who I chase in this rap race of drama
If she owe CaTash some dough, I might kidnap yo'
momma
+CASH+, peep how far I came along
I charge twelve G's a verse, so that's 36 a song
Niggaz got it all wrong, y'all got this ballin distorted
If you gotta ask the price that means you couldn't
afford it
+CASH+, fuck the acre, we want the paper
Tash just bought a skyscraper in Jamaica
Fuck y'all little fakers tryin to ball with Big Tash
We put the mask down, this West coast don't fuck with
our +CASH+

Yeah man I seen you on TV, I love your records man
You're just all over the place
Why don't you let a brother hold somethin real quick?
