I was caught in a place  
Far away from the light  
What I saw, I couldn't face  
So I closed my eyes

Wish I could turn back the page  
Rewrite my point of view  
Save all the time you waste  
Got to get gone, gone  
Don't let it escalate  
Don't fight; it's just no use  
There's nothing left to say  
Got to get gone, gone, goneâ€¦

Forever is over  
And my heart's not gonna break  
Forever is over  
And I'm no longer afraid  
'Cause if I don't get out now, I may never escape  
Your power is fading away  
And I'm getting closer  
To the place I belong  
Forever is over, over, over, over, overâ€¦

I don't want you to tell me  
You found someone  
'Cause I got no distance  
Left to run

Wish I could turn back the page  
Rewrite my point of view  
Save all the time you waste  
Got to get gone, gone  
Don't let it escalate  
Don't fight; it's just no use  
There's nothing left to say  
Got to get gone, gone, goneâ€¦

Forever is over  
And my heart's not gonna break  
Forever is over

And I'm no longer afraid  
'Cause if I don't get out now, I may never escape  
Your power is fading away  
And I'm getting closer  
To the place I belong  
Forever is over, over, over, over, overâ€¦

I'm on the other side  
And now I realise  
I'm in paradise  
'Cause you're out my life

Forever is over  
And my heart's not gonna break  
Forever is over  
And I'm no longer afraid  
'Cause if I don't get out now, I may never escape  
Your power is fading away  
And I'm getting closer  
To the place I belong  
Forever is over, over, over, over, overâ€¦  
Forever is overâ€¦
