I've waited a lifetime  
To feel the way that I feel now  
But I never imagined  
Feels like walking on the clouds

You're the reason I'm here  
I'm not moving  
I'm not leaving  
Can't believe that you're the reason that I'm standing  
right here  
I'm not moving  
Finally breathing  
Can't you see that you're the reason that I'm standing  
rightâ€¦!

You drained me of sadness  
And filled me back up with love  
No room left for the madness  
That once my world was made up of

You're the reason I'm here  
I'm not moving  
I'm not leaving  
Can't believe that you're the reason that I'm standing  
right here  
I'm not moving  
Finally breathing  
Can't you see that you're the reason that I'm standing  
right hereâ€¦!

Standing up for what I believe  
The reason I'm hereâ€¦!  
Being the best that you help me be  
I promise that I will not let you down  
After allâ€¦!  
You're the reason that I'm here, standing, whoa,  
yeahâ€¦!

You're the reason I'm here  
I'm not moving  
I'm not leaving

Can't believe that you're the reason that I'm standing  
right here  
I'm not moving  
Finally breathing  
Can't you see that you're the reasonâ€¦  
You're the reason I'm here  
I'm not moving  
I'm not leaving  
Can't believe that you're the reason that I'm standing  
right here  
I'm not moving  
Finally breathing  
Can't you see that you're the reason that I'm standing  
right hereâ€¦
