Not good enough,
Just not good enough for me,

You talk about the gifts you buy for me,
Talk about the beautiful things you say,
The car you drive,
The things you do,
The way we ride,
It ain't you,
Always seem to know what I'm about,
Telling me you know without a doubt,
That I'm the one,
That I'm for real,
Well let me ask you,

Did you notice?
I don't like this,
I'm no trophy,
What you front is not for me, no,

My hands, doesn't wanna hold yours,
My plans, really don't involve yours and so we know if
it's,
Not good enough,
Just not good enough, no,
My eyes, doesn't wanna look at you,
My mind, doesn't wanna deal with you become it's,
Not good enough,
Just not good enough for me,

I never understood your reasons for,
Coming off as if your good for more,
Than what you have,
Than what you are,
I'm sick of that,
And I know I come across as the girl who cares,
Cares about my bags and the shoes I wear,
But i'm for real,
I never pose,
I say what I feel,

Obviously,
You don't know me,
You won't like this,
But I'm gonna say it anyway,

My hands, doesn't wanna hold yours,
My plans, really don't involve yours and so we know if
it's,
Not good enough,
Just not good enough, no,
My eyes, doesn't wanna look at you,
My mind, doesn't wanna deal with you become it's,
Not good enough,
Just not good enough for me,

Your ride, I don't care about that,
Your pride, I don't care about that,
Where are you?
Where did you go?
Please tell me who lies next to me at night,
And I really thought we could go so high,
And it's killing me to see you try the way you do,
I wanted you but you are nowhere around,

My hands, doesn't wanna hold yours,
My plans, really don't involve your and so we know if
it's,
Not good enough,
Just not good enough, for me,
My eyes, doesn't wanna look at you,
My mind, doesn't wanna deal with you become it's,
Not good enough,
Just not good enough for me,

My hands, doesn't wanna hold yours,
My plans really don't involve yours and so we know if
it's,
Not good enough,
Just not good enough, no,
My eyes, doesn't wanna look at you,
My mind, doesn't wanna deal with you become it's,
Not good enough,
Just not good enough for me
