

Saturdays, The "Turn Myself"

Vanessa

I'll make everybody proud
Gonna take off
I can hardly breath
Didn't fight you no, I couldn't say no
Cos you ruled over me

Bridge

You don't know what its like
I need you bad, I feel alone
You don't know how it feels
Just like a criminal

Chorus

Turn myself in tonight,
This is me coming clean with my hands high
Turn myself in tonight,
Cause I know when alone I'm a danger

Turn myself into me
Want you back, you should have me in handcuffs
Turn myself in tonight
This is my coming clean with my hands high

Oooh oo oo oh oh oooh oo oo
Oooh oo oo oh oh oooh oo oo
